

## Why STITCHED?

The answer to this question lies within your true sartorial aspirations. Who do you want to be? How do you want the world to see you? How do you want to feel, as you glide out of your front door, before you begin another exhilarating day in a world of uniformity? At this point, STITCHED has some answers.

STITCHED is obsessively passionate about clothing and the bespoke lifestyle. At STITCHED, that is truly all that matters to us. As the world continues to spiral out of control markets, weather, government, industry, sports, and the list goes on, there's one focus that never changes at STITCHED, our customers and our desire to facilitate them being as idiosyncratic or classic as they choose to be. There are several reasons every member of the STITCHED Lifestyle brand comes to work every day to create, to design, to guide, to articulate, to inspire, and as often as possible, to innovate. STITCHED has created a forum for bespoke fabrics, and lifestyles which have the capability to satisfy even the most demanding of reveries. Do you want to drive a limited edition bespoke motorcycle through the Rockies, whilst you pack a first edition Hemingway novel and Chess set, in your one off luggage for use upon your arrival at your chosen destination? Done. Do you want to have a suit so tightly fitted, that your own mother cannot even look in your nether regions? Done. Do you want a shirt cut and fitted so perfectly, you feel like it's simply an extension of your skin? Done. The point is, STITCHED is about YOU, whoever you are, wherever you come from, whatever your revelation is.

We can accommodate and execute your vision. We implore you to open your mind to what you believe you can create, who you can become, and come and let us implement your tailored dream.

Sincerely, STITCHED
