

Nathan Adelson – Our Namesake

Nathan Adelson was a beloved hospital administrator and his friends and family wanted to honor his memory. They established Nathan Adelson Hospice, which is dedicated to maintaining patients’ dignity, easing suffering, and improving the quality of life. Today, Nathan Adelson Hospice stands as a most fitting tribute to a very special man.

Elaine Wynn Palliative Care

The Elaine Wynn Palliative Care Program improves the quality of life of patients and their families facing the problems associated with progressive advanced illness, through the prevention and relief of suffering. The program provides an interdisciplinary approach to care coordination. Key factors addressed are early identification and comprehensive assessment of pain and symptoms, and include coordinating support for physical, emotional, spiritual and social service needs.

Care and consultation is provided in various settings:

- Hospital
- Home
- Clinic
- Inpatient facility

The program provides the following services:

- Interdisciplinary team approach to care
- 24/7 telephone access to clinical professionals
- Professional support at home
- Education
- Advance Care Planning
- Navigation of community resources

Our Mission

Nathan Adelson Hospice is the hospice of choice, employer of preference, training center of excellence and the community's trusted partner for comprehensive end-of-life care.

Our Vision

No one should end the journey of life alone, afraid, or in pain.

Nathan Adelson HOSPICE

When it's time for a trusted partner

Serving the community since 1978

No one should end the journey of life alone, afraid, or in pain.

Nathan Adelson HOSPICE

Nathan Adelson Hospice was established in 1978 with a vision that no one should end the journey of life alone, afraid, or in pain.

Nathan Adelson Hospice Foundation serves as the fundraising arm for Nathan Adelson Hospice to ensure that quality care and compassionate support are always available to patients, and families.

The Center for Compassionate Care meets the emotional and spiritual needs of our patients and families, through support groups and counseling.
