Town & Country Bank has been serving straightforward banking to the Las Vegas community for more than a decade. Four branches located in the West and Southwestern portions of the valley offer a unique and refreshing banking experience. Moreover, town meets country in the bank's beautiful and intriguing architecture.

Customers' experience is unparalleled at Town & Country Bank because they can enjoy all the conveniences of a large bank with the personal touch and service that only comes from a friendly community bank. Direct access to managers, loan officers and even the president make Town & Country Bank a standout in the banking industry. Professionalism and knowledge combined with courtesy and friendliness comprise Town & Country Bank's hallmark customer service.

Town & Country Bank's synergistic approach to business banking assists customers as they move forward to attain their goals. Personal bankers and officers are proactive in assisting customers with their financial health and banking needs. Town & Country Bank's best practices are a win-win for clients and will be for you and your business as well.

Client testimonials say it all: "Town & Country Bank has the best customer service." "Town & Country Bank is the friendliest small bank in Nevada." Come see for yourself.

Town & Country Bank sees banking as a partnership that is as important to the bank as it is to clients, and here, they know your name. When it comes to upbeat, high-touch, honest, direct and sincere banking, Town & Country Bank is a leader. Come join in the progress with a beneficial banking relationship on which you can rely. ■
